

Annual Report
Academic Year 2025-26

Good morning, a warm welcome to one and all.

Good morning to one and all. It is with a profound sense of pride and immense elation that I stand before you today as the Principal of Diamond International Public School (DIPS), Patta. Today is not merely a date on the calendar; it is a celebration of a year's worth of grit, passion, and the relentless pursuit of excellence.

We are deeply honored to have in our midst our *Honorable Chief Guest, Dr. Pushpender Verma Ji (Senior Congress Leader)*, whose dedication to public service serves as an inspiration to us all. We also extend a heartfelt welcome to our *Special Guest, Sh. Gulshan Sandhu (Registrar, CPU Hamirpur); Dr. Mani Verma (CMO, NIT Hamirpur); and Mr. M. K. Bhardwaj (Chairman, Jai Baba Kamlahia Aradhna NGO).*

My gratitude extends to the members of our School Management Committee, local Panchayat Pradhans, our diligent staff, and our most vital partners in education—the parents. Your presence here at our **7th Annual Prize Distribution Function** transforms this event into a truly grand occasion.

Our Foundation and Philosophical Growth

Established in April 2017, DIPS Patta was born from a vision to provide child-centered, international-quality education in a local setting. Under the dynamic leadership of our **SMC Chairman, Mr. Sunil Kumar**, and our **Managing Director, Mr. Anil Thakur**, we have evolved from a nascent institution into a premier center of learning.

We believe that education must be a bridge to the future. In a world where technology and social norms shift overnight, we do not just teach facts; we teach our children how to learn, how to adapt, and how to lead. We are building a "community of the future," where tradition meets innovation.

Academic Milestones and Competitive Triumphs

Our current strength of 300 students reflects the trust the community places in us. As a CBSE-affiliated institution, we hold ourselves to the highest national standards. This year, the academic harvest has been particularly bountiful:

CBSE Class X Excellence: We salute our top achievers—Akshara (93%), Pranjal Sharma (90%), and Arshita (88%). Their success is a testament to the fact that there is no substitute for hard work and disciplined focus.

Gateway to Premier Institutions: Our "Diamonds" are now shining in India's top colleges. From NIT Jalandhar (Lakshya Chauhan) and NIT Hamirpur (Parth Sharma) to the prestigious Dr. Radha Krishnan Medical College (Shourya Mehan), our students are proving that DIPS Patta is a launchpad for professional greatness.

National Talent Recognition: Success in the ANTHE exam by Anmol, Tanzin, Sashmita and Prateik, alongside the qualification of our youngest scholars Ayansh, Mahira, and Aaradhya Thakur qualified for the second

level in the LEAD Little Champs competition, proves that our competitive spirit starts from the very first steps of schooling.

Holistic Development: The Heart of DIPS

At DIPS, we understand that a child is more than a mark sheet. We foster "Value Education," ensuring that as our students grow in knowledge, they also grow in empathy, integrity, and social responsibility.

Our Annual Sports Meet and house competitions are designed to build "good sportsmanship"—a quality that teaches one how to win with humility and lose with grace. From Disaster Management drills that ensure safety awareness to celebrating festivals like *Janmashtami*, *Lohri*, and Christmas, we ensure our students are rooted in culture while being globally aware. We have successfully moved away from rote memorization, embracing Project-Based Learning (PBL) to spark curiosity and independent inquiry.

Vision 2026: Enhancing Our Infrastructure

We never rest on our laurels. To ensure our students remain ahead of the curve, we are embarking on a series of infrastructure upgrades:

The Digital Leap: Transforming every classroom into a technology-aided learning hub.

Scientific Discovery: Implementing AR/VR (Augmented and Virtual Reality) Labs to make complex science and geography concepts come alive.

Creative Spaces: Modernizing our library, music rooms, and art studios to nurture the hidden talents of every child.

Closing Reflections and Gratitude

The true backbone of DIPS Patta is our faculty. Our teachers do not just "deliver lessons"; they ignite minds. They go far beyond the call of duty to ensure no child is left behind.

To our parents: thank you for the greatest gift of all—your trust. We recognize the sacrifices you make for your children's future, and we pledge to honor that sacrifice by providing the best environment possible.

To my dear students: the trophies you receive today are symbols of your potential. Let them be a reminder that you are capable of achieving anything you set your mind to. Keep making us proud.

DIAMOND INTERNATIONAL PUBLIC SCHOOL

Annual Report (Academic Year 2025-26)

December 28, 2025

Thank you for being part of our journey.

I wish you all a healthy, prosperous, and Happy New Year 2026 in advance.
